

~ STRAIGHT TALK ~

---

### **STAY FOCUSED, BUT NOT LIMITED**

We concentrate in the healthcare and business & communications services sectors, but our range of experience is broader.

---

We've done this for a long time in a variety of economic climates. Tailwind's practice has evolved into three primary investment areas, but our collective experience is broader and can be brought to bear in many situations. Private equity investing is truly a practitioner's art.

— Lawrence B. Sorrel
